There was a really large garden with lots of fruit trees and pavilions and a place to play some games. And there was a large pool where we swam all morning and we sun-bathed. And then in the evening we made barbecue. We also had lots of pizza and all sorts of junk food, which I really love by the way. And then in the evening, we played some card games, some board games together, and it was lots of fun. We had music playing on the speakers really loudly, and we were lucky because there weren't any neighbors around. So there was no one to complain about the noise. So yeah, I really enjoyed this party.</p>	<p>unhealthy snack foods sleep there nearby lie under the sun different kinds of </p> <p>We will _____ at a fancy hotel.
